Steelvalley AH
Gauteng

Dear Mr. DeWet Nel

Leader Rubber Company thanks you for your service and workmanship in constructing and building a warehouse in the Mixing Plant which was of a high standard meeting the safety standards, rules and regulations required.

Excellent work was also carried out on the concrete flooring inside the factory and also on the Flameproof store which complied with the Johannesburg Municipality Bylaws.

We would therefore recommend your company in this field and would like to thank you for a job well done.

Best Regards

Charles Storbeck
Engineering Manager
